April 7

Dear Harold -

Enclosed, find check which Flo Kennedy insisted I send to you since she's so busy (no busier than I at this time, I can assure you). But, she's a great person, as you know, so.... She invited me to her party last night where we discussed and made plans for our protest marches on May 10 against the suppression, racism, etc in the media (Radio/TV). I again advertised your books there with your address, so, they'll be in touch with you. I'm in great haste now so pardon the brevity/shortness of this letter Harold. I'll call you soon - and we are receiving phenomenal response (tickets, etc) from all over the country re the Conference (25/26/27 April). By the way, Broden (Ralph) sends his regards to you by way of Peter Broman, my co-organizer of the Conference. He's looking forward to seeing you here in NY then, and we all can't wait for it! I think big things will come of it - really do! I'll send the $ soon enough so don't worry about that aspect - YOU'RE DEFINITELY COMING! That's for sure!! I'll call you up in a couple days - got to do some things now - Busy Busy Busy - Take care till we talk again and please REST sometimes, won't you? OK!

Till soon
Yours in struggle
Ted Landsmark.
